We also make no claim to the intellectual property rights of third-party creators of Recordings hosted on Third Party Social Media Sites. Our embedding of such Recordings on this website is done pursuant to applicable licenses to do so granted by the Third-Party Social Media Sites.

Embedding Recordings on this website does not create an association, agency, joint venture, or partnership between us and the owners of the Third-Party Social Media Sites or impose any liability attributable to such a relationship upon either party.

Some of the Recordings embedded for your viewing and listening pleasure may be created by us and hosted on our servers or third-party servers. This may include but is not limited to cloud hosting services from Amazon.com or others but excludes the Third Party Social Media Sites described above.

We own the copyrights and all other intellectual property rights for these Recordings unless otherwise expressly noted. We make no claim to the intellectual property rights of the owners of third-party servers who by contractual agreement are hosting our Recordings for us.

Hosting our Recordings on third party servers does not create an association, agency, joint venture, or partnership between us and the owners of those servers or impose any liability attributable to such a relationship upon either party.

DMCA PROVISIONS

The Digital Millennium Copyright Act of 1998, found at 17 U.S.C. § 512 (“DMCA”), provides recourse for owners of copyrighted materials who believe that their rights under United States copyright law have been infringed upon on the Internet.

Under the DMCA, the bona fide owner of copyrighted materials who has a good faith belief that their copyright has been infringed may contact not only the person or entity infringing on their copyright, but may also contact the designated agent of an Internet service provider to report alleged infringements of their protected works, when such alleged infringements appear on pages contained within the system of the Internet service provider (“ISP”).

NOTIFICATION OF CLAIMED COPYRIGHT INFRINGEMENT

THE WEBSITE OWNER

Don Brown for Sheriff

PO Box 1477

Newton, NC 28658

US

THE INTERNET SERVICE PROVIDER (“ISP”)

To file a notice of infringement with either the website owner or the ISP, you must provide a written communication that sets forth the items specified below. You will be liable for damages (including damages, costs, and attorneys’ fees) if you materially misrepresent that the website or a web page is infringing your copyright. Accordingly, if you are not sure whether certain material of yours is protected by copyright laws, we suggest that you first contact an attorney.

To expedite our ability to process your request, please use the following format (including section numbers):

1. Identify in sufficient detail the copyrighted work that you believe has been infringed upon.
2. Identify the material that you claim is infringing the copyrighted work listed in item #1 above. (You must include the URL(s) (the location(s) of the page(s) that contains the allegedly infringing material and also include a description of the specific content which you claim is infringing on your copyright.)
3. Provide information reasonably sufficient to permit the website owner to contact you (e-mail address and a phone number are required at a minimum).
4. Include the following statement: “I swear, under penalty of perjury, that the information in the notification is accurate and that I am the copyright owner or am authorized to act on behalf of the owner of an exclusive right that is allegedly infringed. I also affirm that as the copyright owner, I have a good faith belief that use of the material in the manner complained of is not authorized by me, my agent, or the law.”
5. The signature of the copyright owner or a person authorized to act on behalf of the copyright owner. You may send your notice via email provided such notice includes a proper electronic signature. The signature or electronic signature must be that of the copyright owner, or a person authorized to act on behalf of the owner, of an exclusive copyright that has allegedly been infringed.

For details on the information required for valid notification, see 17 U.S.C. § 512(c)(3).

COUNTERNOTIFICATION TO CLAIMED COPYRIGHT INFRINGEMENT

If a notice of copyright infringement has been filed with the website owner and/or the ISP against you, the owner and/or the ISP will attempt to notify you and provide you with a copy of the notice of copyright infringement. If you have a good faith belief that you have been wrongfully accused, you may file a counternotification with the website owner and/or the ISP. If website owner and/or the ISP receives a valid

counternotification, the DMCA provides that the removed or blocked information will be restored or access re-enabled.

The website owner and/or the ISP will replace the removed material and cease disabling access to it in not less than 10, nor more than 14, business days following receipt of the counternotification, unless the website owner and/or ISP first receives notice from the complaining party that such complaining party has filed an action seeking a court order to restrain the alleged infringer from engaging in infringing activity relating to the material on this website.

Please be advised that United States copyright law provides substantial penalties for a false counternotice filed in response to a notice of copyright infringement. Accordingly, if you are not sure whether certain material of yours is protected by copyright laws, we suggest that you first contact an attorney.
